# YEAR 9 - STUDENT INFORMATION

All Year 9 students will take the following **compulsory** subjects:

- **English**
- **Mathematics**
- **Health and Physical Education**
- **Science**
- **Social Studies**
- **Financial Literacy (two terms)**

All students must also select **three** option subjects.

The Year 8 course will have introduced students to the range of subjects available in Year 9. We recommend that students choose subjects that they are interested in, that they enjoy and for which they have some aptitude.

- Select a total of three options from the subjects listed below;
- Each course runs for two terms;
- Year 9 students must select a subject from **each** of the lists below ie. **one** Arts, **one** Technology and **one** Languages;
- All students must take Financial Literacy in Year 9.

## Group A – Arts

Dance  
Drama  
Music  
Visual Art

## Group B – Technology

Digital Technologies  
Food Technology  
Product Development  
Textile Technology

## Group C – Languages

Chinese  
Japanese  
Spanish  
Te Reo Māori

Each half year course will be comprised of:

- 20 credits for **Knowledge and Skills** (10 per term)
- 20 credits for **Self Management** (10 per term)

# Y9 ENGLISH

COMPULSORY SUBJECT

9

The English course at Year 9 will enable students to select and reads texts for enjoyment and personal fulfilment; recognise and understand the connections between oral, written, and visual language; integrate sources of information and prior knowledge confidently to make sense of increasingly varied and complex texts and select and use appropriate processing and comprehension strategies with increasing understanding and confidence. We also encourage students to monitor, self-evaluate, describes progress, and articulate learning with confidence.
